

2350 East State Street Salem, Ohio 44460

School field trips

Field Trips to the Salem Twin Cinema are perfect for

- Academic Recognition
- Seasonal Celebrations
- Tie-ins with curriculum
- End of the School year celebrations

Cost: \$9 per person attending the movie. This includes the ticket and a kid's meal. The kid's meal consists of a scoop of popcorn and a 12oz drink. This is a package deal and is not available at a reduced rate.

If we do not have the movie you'd like contact the cinema manager and we can possibly work out getting another feature for your group.

We like to be prepared for larger groups so we ask for what drinks attendees will be having three business days before the screening so we are able to get everything ready prior to the event.

There is a twenty person minimum for any private showing. Private showings must be before any regular matinee. Private showings must be set up with the manager at least three business days prior to the showing. We also require payment the day of the performance. We accept cash, checks from the school district, or credit cards. We do not accept personal checks. Any payment must be issued before the movie will be shown.

To book a field trip fill out the next page and submit it to the cinema manager or contact the manager at the cinema at (234) 575-7081.
